RE: **Warning Letter**
FPPC Case No. 09/509; Nicholas Tell

Dear Mr. Tell:

The Fair Political Practices Commission ("Commission") enforces the provisions of the Political Reform Act (the "Act") found in Government Code Section 81000, and following. The Act requires that committees file campaign statements at periodic intervals. This letter is to inform you that in 2006 you failed to completely comply with the campaign reporting requirements.

Section 82013, subdivision (c), defines one type of committee, commonly referred to as a major donor committee, as any person who makes contributions totaling \$10,000. The Act requires that a major donor committee file a Campaign Disclosure Statement (Form 461) for each six month period that it made contributions. The campaign statement must be filed on January 31 and July 31 of each year. (Section 84200(a).)

The Act also requires that a committee file a Late Contribution Report (LCR), Form 497, disclosing any contributions of \$1,000 or more made to support or oppose a candidate, ballot measure, or state political party committee, during the "late reporting period," the 16 days prior to the election in which the candidate or measure is on the ballot. The LCR must be filed by the committee within 24 hours of making the contribution and filed at every location that the committee is required to file its regular campaign statements. (Section 84203.)

On June 5, 2006, you made a contribution of \$13,950 to the Democratic State Central Committee of California for which you filed neither a late contribution report, nor reported this contribution on your Major Donor Campaign Statement. Additionally, since you contributed \$5,600 to Californians for Rocky and \$3,300 to Ted Lieu for State Assembly during the "late reporting period," you were required to file an LCR within 24 hours of making those contributions. Accordingly, your failure to report the \$13,950 contribution to the Democratic State Central Committee and your failure to file the three LCRs as described above was a violation of the Act.

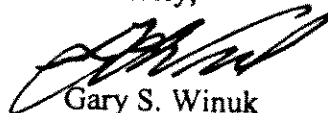

To fulfill this filing requirement, you must immediately amend your Major Donor Campaign Statement and file the delinquent LCRs with the Secretary of State, the Registrar-Recorder of Los Angeles County, and the Department of Elections of the City and County of San Francisco.

Although you violated the Act, we are closing this matter with a written warning to you. However, the information in this matter will be retained and may be considered should an enforcement action become necessary based on future conduct or newly discovered information.

The Commission publishes forms and manuals to facilitate compliance with the provisions of the Act. If you need forms or a manual, or guidance regarding your obligations, you may call the Commission's Technical Assistance Division at 1-866-275-3772 or visit our website at www.fppc.ca.gov.

Sincerely,

Gary S. Winuk
